

Privacy and Cookie Policy

Telephone Number Solutions is committed to protecting the privacy of our visitors when visiting our website. This Privacy Policy contains an explanation of what happens to personal data that you choose to provide to us, or that we collect from you whilst you visit this site.

What Information do we collect?

In managing this website www.telephonenumberolutions.com we may collect and process certain data and information relating to you and your use of this site including:

Details of visits to our website and the pages and information contained within our site that are accessed

Any information that you provide to us as a result of when you register for information or you fill in a forms on our website

Any information that you provide to us when you communicate with us electronically via our contact us page

How Do We Use This Information ?

The information we collect is used for our own use only in developing our website. In addition, we may use the information for the following purposes:

To provide you with information relating to our website, products or our services that you request from us

To meet our contractual obligations to you

What Are Cookies?

Cookies are text files, containing small amounts of information, which are downloaded to your personal device when you visit a website.

Cookies are used for everything from navigation, remembering preferences and generally to help us to improve your user experience when visiting our web site.

On visiting the Telephone Number Solutions website we automatically set cookies so that we can access Google Analytics services. We use this to monitor traffic levels, search queries and visits to this website.

Google Analytics stores IP addresses anonymously so neither Google or Telephone Number Solutions can associate your IP address with any personally identifiable information

These cookies allow us to enhance our website and improve the customer experience.

Storing Personal Data

The transmission of information via the internet is not completely secure and therefore we cannot guarantee the security of data sent to us electronically and transmission of such data is therefore entirely at your own risk.

Any data, information or orders sent to Telephone Number Solutions will be stored by us securely

Where we have given you (or where you have chosen) a password so that you can access our on line web portal you are responsible for keeping this password confidential

Disclosing Information

We may also disclose your personal information to third parties where we are legally required to disclose your information and to assist with any potential telephone fraud and to also minimise credit risks

Access to Information

The Data Protection Act 1998 gives all individuals the right to access personal information that is held about them and you can request a copy of any information we hold
